

Dear graduating senior,

Every year on the evening prior to commencement, the UMM family honors its graduating class members at the traditional **SENIOR DINNER**. Please join us at **6:00 p.m.** on **Friday, May 13**, in Kilburn Commons. Attire is semi-formal. The buffet-style meal will include chef-carved marinated flank steak, cilantro and lime boneless chicken breast, roasted red potatoes, vegetables and green salad, rolls, and chocolate mousse cups with fresh berries. A vegetarian entrée of fresh mozzarella, basil, tomato, and balsamic portabella mushroom is available if ordered in advance on the reservation form. (See below.)

As a member of the senior class, you are my guest for dinner. You may bring up to four friends or family members at the cost of \$14 per adult and \$7 per child (12 and under). However, you must make reservations by **Friday, April 29**, even if you plan to bring no one with you. No late reservations will be accepted, since we must give Aramark sufficient time for preparation.

We must restrict the number of dinner guests because Kilburn Commons has limited space, but I invite you to put one or two additional guests on a waiting list if necessary. If seating is still available after the April 29 reservation deadline, we'll let you know. The waiting list will be managed on a first-come, first-served basis, so make your reservations early.

Guest tickets must be paid for in advance, so I suggest that you pay for your guests when you make your reservation. The evening promises to be lots of fun, so make your reservations today!

Best wishes,

Cynthia E. Huggins, President
