Student's Signature _____

I hereby agree to the release of my/the applicant's high school transcript to UMM if needed to document eligibility for Early College Program financial assistance. I understand that I am responsible for any course costs not covered by school, grant, or other agency funding.

Parent/Guardian's Signature _____

You should complete this application each semester you participate in the Early College Program. If you are a first-time applicant, you should also complete the attached Release of Information form. Please return all of the completed forms to your guidance counselor; home-schooled students may forward completed applications directly to the UMM's Early College Program.

Release of Information Form

The following release form will allow the University of Maine at Machias to provide grades and other information to the school, agency, or grant paying for your courses (if any), to your high school guidance counselor, and, if you wish, to your parents/guardians. Please give the full names of those individuals to whom we may release information (for example, Jane Doe or Mr. John Doe) and then have another individual witness your signing of the form. Return the signed, witnessed release form along with your application to UMM's Early College Program.
