Before Withdrawal Deadline:

After Withdrawal Deadline:

If a withdrawal request is being made after the official Withdrawal deadline (75% point of term or session), the approval of the Assistant Provost for Academic Services is required. Students must submit a written request to the Assistant Provost, explaining the extenuating circumstances which have prompted the late withdrawal request. **The written request should be attached to this Withdrawal form, which should be returned to the Registrar's Office.**

Students seeking late permission to withdraw **MUST** also consult with both instructor and advisor. Faculty signatures on this form do not constitute approval, but merely confirm the fact that they have been consulted by the student.

The form when presented to faculty **MUST** include the student's written statement explaining the extenuating circumstances which prevented the student from withdrawing before the withdrawal deadline.
