Students may, in consultation with their advisor, propose an Interdisciplinary Fine Arts concentration of their own design. The proposal must be approved by the advisor, a committee of three Interdisciplinary Fine Arts faculty, and the chair of the Arts & Letters Division. Students must complete the proposal by the time they have completed 45 credits toward their degree.

A self-designed concentration must include at least 18 credits, in addition to FIA 400 and FIA 460, and a minimum of 12 credits at or above the 200 level, of which at least 6 credits must be at the 300 or 400 level.
