Welcome to NetTutor   Exit

There is currently 1 student ahead of you in line. Thank you for your patience.

We are here to help

You will be directed to this first availability tutor, usually within a few minutes. Keep this window open while you are waiting.

When it is your turn, you will hear a bell and you will be sent to the Whiteboard where you can collaborate with your tutor. Be sure to turn up the volume on your computer so you can hear when it is your turn.

Your tutoring session will be private. When it is over, you can review the material you covered in your session by visiting your locker.

It is difficult to estimate your exact waiting time because we believe each student deserves a full, helpful session and their tutor's undivided attention. This will be the level of support you receive too!

While you are waiting, here are some study tips you can try

"But what if I have to go?"

No problem. Use the Whiteboard to hash out the details of the question you wanted to ask. Then, leave your question for the tutors, and they will respond back to you.

Before you get started, give your question a title and then click the button below.
