Early College Career Pathways

Get a head start on your UMM degree!

UMM is proud to offer Early College Career Exploration Pathways and Certificates that guide students as they learn about majors and career options. Upon completion, students will earn a designation on their university transcript, and earn college credits toward their future degree.

Early College Career Pathways

Get a head start on your UMaine degree!

Early College pathways are the gateway for students to explore career paths while earning up to 15 college credits. Each of our pathways is a concentration in individual areas combined with essential general education requirements.
