

The Early College Introduction to Health Professions Pathway gives students a set of introductory-level college credits that will lead to majors in the health professions.

This pathway may lead to programs in a variety of majors at UMaine Machias, including::

- B.A. in Biology with concentrations in:
 - Fisheries Biology
 - Wildlife Biology
 - Pre-Professional
- A.A. in Liberal Studies with a concentration in:
 - Allied Health

Completion of these majors allows students to pursue careers such as:

- Laboratory technician
- Veterinary assistant
- Pharmacy technician
- Medical services manager
- Patient care advocate
- Health educator
- Occupational therapist
- Nutritionist

Students who complete a biology major are also prepared to pursue graduate study in a variety of professional fields, such as:

- Medicine
- Pharmaceutical science
- Healthcare management
- Psychiatry
- Nursing
- Veterinary medicine
- Epidemiology
- Sports medicine
