

Do you need financial assistance? If so, the members of the Sunrise Senior College Scholarship Committee invite you to apply for a scholarship to participate in our program. You must complete and sign this application form to be eligible for scholarship consideration. You cannot register for a free class or membership until you have been notified by the committee of your acceptance. Once notified, you must register using the paper registration form found in the brochure (or printed from our website) and follow the mailing instructions. Any questions please call 255-1384 and ask to speak to the Board Chair. Our scholarship policy has changed. Please note these changes!

- Our membership year is June 1st to May 31st. You may apply for a partial or full membership year. All scholarships expire on May 31st. As a member, you will receive all mailings and an invitation to the annual meeting.
- If accepted, you are eligible to take one free class per semester that has a maximum enrollment of more than 15 students. We will register you in the system for your membership and class. (Once that is done, you can pay for and enroll online for any additional classes or limited enrollment classes you want to take subject to availability.)
- With your membership, you are eligible to attend Summer Shorts as a member. However, please note if there are costs involved like admission to a museum, materials or transportation, you must pay those fees. All scholarship recipients must apply for a scholarship at the start of or during each membership year to expire on May 31st. Please complete and sign the following form:

Members who have been granted a scholarship are expected to attend classes. We care about you; so, if you are unable to attend a course either prior to the start date or individual class sessions, please let us know by contacting your host, calling us at 255-1384 or e-mailing us at [sunriseseniorcollege@maine.edu](mailto:sunriseseniorcollege@maine.edu).
